

# Welcome Year 7 2020

 Dormers Wells  
High School  
Opening the door to success

Hello Year 7,

My name is Mrs Dhillon and I will be your Year Leader when you join our fantastic high school in September. I am really looking forward to meeting all of you and introducing you to the many opportunities Dormers Wells High School has to offer.

At the start of your first day in September, you will be welcomed by your form tutor. Your form tutor will help you to settle into your new school and will be there for you should you need to share any worries, concerns or just tell them about your day.

All of the staff at Dormers Wells High School are committed to making sure every student is happy, healthy and achieves their full potential. Our school offers lots of extra-curricular activities and clubs so everyone is able to take part in something they enjoy. I would encourage you to start thinking about what new challenges you would like to take on in September whether they are new sporting activities, drama, music or anything else! Having worked at Dormers Wells High School for a number of years, I know that the school makes every student feel welcome and part of the school community and this will be the same for you in September.

Attending Dormer Wells High School will be the start of an exciting new period in your life. You will work hard and learn new fascinating things, you will also make new friends and have new experiences and opportunities. All staff and students at Dormers Wells High School look forward to sharing your new adventure with you.

I look forward to working with you in September.

Mrs Dhillon  
Year 7 Year Leader
